Keith,

Attached is the current draft on the issue we discussed - Please hold this very close. There may be some additional changes forthcoming, but we should be still on for an announcement a week from today. If you or someone from IDEM is still willing to provide a short supportive statement, would it be possible to get that by the end of the week?

Thanks!

Keith,

Thanks so much, and sorry for the delay! Will follow up, hopefully by the end of the week, with a draft or excerpts for your review.

Clint:

I got word back that we can provide a comment. Is there a draft of the memo that you can share so that I can provide the governor's office with a little more background?

Thanks
